

All-Terrain Transportation Vehicle

All-Terrain Obstacle Clearance
Compact for Vehicle-Assisted Transport

Independent 4WD System

	UV50	UV400P4
Max. capacity(kg)	500	400
Weight	190(Without battery)	200(With battery)
Max. speed(km/h)	3.6	
Max. slope(°)	45	16
Control method	Wireless Remote Control: 100m	
Battery weight(kg)	7.3	—
Battery parameter	48V 27Ah	24V 24Ah
Charging time(h)	7	6
Size of loading plate(mm)	922 * 738	532 * 1110
Size(mm)	1375 * 1140 * 505	1590 * 940 * 680
Product advantages	500kg load capacity All-terrain obstacle clearance Independent 4WD system Fully sealed & waterproof design Compact for vehicle-assisted transport	400kg load capacity All-terrain obstacle clearance High-capacity enclosed cargo van Compact for vehicle-assisted transport Independent 4WD system
